I. CALL TO ORDER -

The meeting of the Town of Esopus Library Board of Trustees was called to order by President Jim Fitzmorris at 6:04 pm via Zoom

II. APPROVAL OF MEETING MINUTES

Written minutes for January monthly Board meeting held on January 25, 2022 were submitted and open for review.

 A motion to accept the minutes of the January Board Meeting, held on January 25th, was made by Reggie Heffernan and seconded by Don Carragher. AYE: 7; NO: 0; ABSTAIN: 0
 Board Members Excused: Board Members Absent:

III. TREASURER'S REPORT/FINANCE - Reggie Heffernan / Susan Leiching

Written report was submitted. Reggie reviewed the Finance committee meeting minutes. The Financial – Fixed Assets Capitalization Policy was reviewed and updated during the Board Meeting. The word "government's" in the last sentence of the Capital Outlay paragraph of the policy was changed to "library's".

• **Resolution #06 of 2022 (Payment of January Claims):** The Board of Trustees of the Town of Esopus Library accepts and approves the payment of claims from January 1, 2022 to January 31, 2022 for items in the amount of \$13,921.29. A motion to accept the resolution was made by Nancy Beranek and seconded by Shannon Harris. AYES: 7; NAYS: 0; ABSTENTIONS: 0 Board Members Excused: Board Members Absent:

IV. DIRECTOR'S REPORT - Brooke Dittmar, Director

Written report submitted. Brooke reviewed the Director's report. She discussed the Annual Report to the State. We received the tax appropriation from the Town of Esopus. Both of our programmers attended the initial training of the Digital Navigators of the Hudson Valley project.

We will help patrons connect with digital service and devices. The program opens on March 28th. This will be advertised on the digital sign, Facebook and the newsletter. Hotspots have been ordered and received. We also did order and receive 4 laptops. Patrons will be able to borrow these laptops. Details on how the loaning of laptops will work have yet to be finalized. Shannon Harris suggested that we investigate how other libraries loan laptops as a starting point. Brooke said there is a new digital resource available to patrons called BrainHQ. Emily has been offering a "Get to know your library" program series.

V. FRIENDS -- Susan Leiching

Susan reported that Friends had a meeting. The label printing held us up on our mailing. The Friends printer is not working well. They might need a new printer.

VI. COMMITTEE REPORTS

- **Buildings and Grounds** Jim Fitzmorris Written report submitted. Jim reviewed the committee meeting minutes. The new cleaning service did a good job. Discussion continues regarding the bridge over the pond as well as the parking lot issues; i.e. drainage issues, seal coating and additional parking spaces in the lower lot.
- **Governance and Personnel** Susan Leiching Written report submitted. Susan reported that the committee reviewed the Responsibility of Director which is in the Trustee binder. There will be changes. They also reviewed Freedom to Read Statement and Freedom to View documents along with Restricted Access to Library Material. The updated versions should replace the ones that you already have in your Trustee binder.
- Sustainability, Research and Development Don Carragher Don reviewed the meeting minutes. All members attended. The Sustainability and the Research & Development Committees have now merged into a single committee. They will do a lot of work on grant writing as this is key to getting projects completed. The committee will meet at 4pm on the 2nd Wednesday of the month. They talked about the effects of the recent ice storm. There were a number of warming centers and the library should become one as well. Reggie spoke with Anthony Sicari (Solar Farm) who referred the committee to Solar Alchemy for our solar array inspection.

Jim commented that the combination of the Sustainability and Research and Development committees makes for a very active committee. Laura also commented that we should look into generators for the library, so that the library has electricity in an emergency.

The Finance Committee presented the following resolution at this time:

• Resolution #07 of 2022 (Addition of Finance: Fixed Assets Capitalization Policy): The Board of Trustees of the Town of Esopus Library accepts the addition of the Financial -Fixed Assets Capitalization Policy to the Internal Section of the Library Policy Manual. A motion to accept the resolution after noted changes were done was made by Don Carragher and seconded by Laura Lauria.

AYES: 7; NAYS: 0; ABSTENTIONS: 0

Board Members Excused: Board Members Absent:

 Resolution #08 of 2022 (Addition of Finance: Operational Reserve Fund Policy): The Board of Trustees of the Town of Esopus Library accepts the addition of the Financial: Operational Reserve Fund Policy to the Internal Section of the Library Policy Manual. A motion to accept the resolution after noted changes were done was made by Nancy Beranek and seconded by Susan Leiching. AYES: 7; NAYS: 0; ABSTENTIONS: 0 Board Members Excused: 0 Board Members Absent: 0

Susan mentioned that a portion the retained earnings will go into the Operational Reserve Fund. It's insuring that the backup funds are not sitting in the operating budget.

• **Resolution #09 of 2022 (Open Additional Account at Bank of Green County):** The Board of Trustees of the Town of Esopus Library agrees to have the Director, Brooke Dittmar, open an Operational Reserve Fund account with The Bank of Greene County. A motion to accept the resolution was made by Don Carragher and seconded by Reggie Heffernan. AYES: 7; NAYS: 0; ABSTENTIONS: Board Members Excused: Board Members Absent:

VII. ADJOURNMENT

There being no further business or discussion, Shannon Harris made a motion to adjourn and it was seconded by Susan Leiching. The meeting was adjourned at 7:14 p.m. AYES: 7; NAYS: 0; ABSTENTIONS: 0 Board Members Excused: Board Members Absent:

Prepared by Mary Garraty, Secretary to the Town of Esopus Library Board of Trustees

Town of Esopus Buildings and Grounds Committee March 14, 2022

Present: Brooke Dittmar, Shannon Harris, Don Carragher. Excused: Jim Fitzmorris

Brooke began with a reminder for all to review the Facilities Plan, recently distributed, to add the new projects that we are considering, especially for the construction grant application process. The priorities of this plan must match the work we want to fund. Don referred to the American Library Association Policy Manual Part B.8.11 being pertinent for any projects that seek to expand the library's response to community disasters. It reads:

"The American Library Association urges governments at all levels to acknowledge and support the essential role local libraries play in providing e-government and emergency response/recovery services, and to include libraries in relevant legislative or other policy actions. The American Library Association also encourages continued research documenting library needs and capacity to provide effective e-government and emergency response/recovery services, and help libraries develop best practices and train staff to deliver these essential services."

Shannon discussed the pictures of the generator at Town Hall for comparison of what we might need. (After the meeting she updated us with more info and the maintenance company the town employs to exercise/test the unit.) Don said Arace Electric in Kingston is an official dealer for the same brand generator, Generac, he will contact Jim Carey for an estimate of what we might need. (Arace did the electric work recently for the new e-sign.)

Brooke pointed out a drip stain in the lower-level toilet (left) on the wall that may be left from a leak/condensation in the past. The server room several feet away has had moldy ceiling tiles. This could be moisture issues in the outside wall or pipe damage. Don suggested that the cleaner could dispose of the tiles and clean visible mold and monitor any changes after that.

With all the new work and maintenance, we are discussing, Brooke recounted the success she had in the past with letters to local representatives. Shannon suggested that with recent Covid relief and recent storm damage, we could likely receive monies to further our expanding community presence. A new effort sponsored by the Mid-Hudson Library System is the 'Beyond the Library' additional internet signal booster that we should receive this year.

Next mtg: April 11, 2022 4pm.

Submitted: Don Carragher.

Director's Report to the Board March 22, 2022 Brooke Dittmar

The "Beyond the Library Wifi Access Project", supported by federal American Rescue Plan Act (ARPA) funds allocated to the New York State Library, by the Institute of Museum and Library Services (IMLS) will provide exterior Wifi routers to extend our Wifi signal by 300 feet outside our building. This is absolutely free to us, and will be managed by Mid-Hudson Library System. The project includes one external Extreme Network Access point, valued at \$1,336, and configuration services will be provided by MHLS IT staff. Once MHLS sets it up for us, they will monitor it, and send monthly statistical reports.

I have completed the Annual Report to the State Library, and it has been reviewed and approved by MHLS. At this March meeting the board needs to pass a resolution to accept the report. I will provide a printed copy to be looked at in the library, and a digital copy will be included in your meeting packet.

The new patron laptops are all set up for patron use, and will circulate as soon as we finish the use policy and commitment form. The hotspots have been processed, and are already in use.

We have advertised the sign-up for the community garden lottery. There has been a lot of interest. I'm so happy that we have a better way to inform community members about the gardens (the digital sign), as I want everybody to feel that they have a chance to participate. Some of the gardeners have been discussing creating an additional community garden, on the other side of the parking lot (from the library). They have observed that that area gets good sun. To make this happen we would need a knowledgeable volunteer to lead the project, or the hiring of a landscaping company to build it.

Remember to call the library for an appointment to learn about your devices, or how to use a specific computer program. This is a service that I feel is very important, since so many of us did not learn how to use these things in school. You can come in as many times as you need for such help.

All of the staff will take a multi-session training called Information Literacy for Library Staff. This will assist them in helping patrons to find information and to use our electronic services. It will also include the knowledge for helping with the computers.

The Digital Navigator Program that we are taking part in supports this activity. Besides helping people get set up for the reduced rate for internet and digital devices, education is the other part of it. We will continue to help people to learn about and use their devices. The laptops and

hotspots for patron use, purchased with grant money from the American Library Association, actively supports the Digital Navigator Program.

Town of Esopus Library Finance Committee Minutes March 10, 2022

Attendance: Reggie Heffernan, Brooke Dittmar

The payment of claims for \$8427.45 was reviewed by the Finance committee and a resolution for approval by the Board of Trustees will be presented to the Board at the March 22 meeting.

An adjustment to the accountant's records was noted because checks to the Friends are not expenses but reimbursement for the friends for book sales. It suggested that an assistant director with knowledge of QuickBooks would be an asset to the library.

Respectfully submitted,

Reggie Heffernan, Acting co-treasurer

Next Meeting Thursday, April 14, 2022 4 pm Governance and Personnel Committee March 8, 2022 4pm

Attendance: Jim Fitzmorris, Nancy Beranek, Brooke Dittmar Excused: Susan Leiching

The revised version of the Responsibilities of the Director has been completed and will be presented to the Board for approval.

Policies last revised in 2013 will be prioritized for revision. The committee examined the recently (2020) updated Pandemic Readiness policy in light of the ever-evolving knowledge regarding virus mutations. We will continue this discussion and update the policy as necessary.

The Director will review the Collection Development and Wireless Connectivity policies. The committee will review the Organizational Values policy.

The next meeting is scheduled for April 12th at 4pm

Respectfully submitted, Nancy Beranek and Jim Fitzmorris

Responsibilities of Library Director

- 1. To act as chief executive and administrative officer of the Library.
- 2. To attend all board meetings as a non-voting participant.
- 3. To employ library staff and provide direction for staff. To provide staff with opportunity for professional development.
- 4. To prepare and submit to the board reports and recommendations to meet the short and long term goals of the library.
- 5. To provide input into policies and procedures.
- 6. To prepare an annual budget for the library in consultation with the board. To give a current report of actual expenditures against the budget at each meeting.
- 7. To operate the library under the financial conditions contained in the budget.
- 8. To make full use of the regional library services (MHLS, etc).
- 9. To determine the programs and needs of the library in relation to the community by keeping informed about community changes, trends, needs and interest.
- 10. To know the appropriate local and state laws and to support legislation which would improve library services.
- 11. To affiliate with local, state and national organizations. To keep aware of standards and trends.
- 12. To support the Friends of the Town of Esopus Library.
- 13. To follow legal, professional, and ethical practices when making decisions and carrying out responsibilities.
- 14. To participate in continuing education in order to maintain his/her professional librarian's certificate.

Adopted by the Board of Trustees: November 20, 2013

Revised by the Board of Trustees:

Town of Esopus Sustainability, Research and Development Committee March 9 2022 at 4:00 pm

Present: Brooke, Reggie, Nancy, Shannon, Don. Excused: Laura.

Brooke noted that several recent emails were full of info on available grants, the grants process, and webinars to familiarize us with monies that we should seek. Don shared a notice from NYSERDA (NY State Energy Research and Development Agency) about continuing efforts to have more LED (light emitting diodes) outside lights installed in public areas.

Nancy asked what else was to be included in estimates for the sealing/repairs/striping of the parking lots, she will follow-up. This should be paid for with the construction grant. Brooke said MHLS (Mid-Hudson Library System) helps our grant process by reviewing them before final submission. Nancy highlighted a webinar March 24 for funds for resilience efforts.

Shannon has been investigating the Town's (massive) generator and asked if we needed to run our entire building or just part of it in trying to size up an installation. The Town Hall is over 10,000 square feet, and largely open/noisy. She will update the spec's and see what contractors are active through the area. Reggie spoke with Solar Alchemy and will schedule an onsite visit when Brooke is available.

Don encouraged all members to review the grant process, applications and become familiar with the language and process of soliciting funding for what are truly worthwhile services for our community as the recent ice storm demonstrated.

Next meeting: April 13, 2022 4pm.

Submitted: Don Carragher.

Note: Report figures as of the last day of the fiscal year reported in Part 1. Include the FTE for all positions funded in the library's budget whether those positions are filled or not. This report requires conversion of part-time hours to full-time equivalents (FTE). To compute the FTE of employees in any category, take the total number of hours worked per week for all budgeted positions in that category and divide that total by the number of hours per week the library considers to be full-time. Report the FTE to two decimal places.

FINANCIAL – OPERATIONAL RESERVE FUND POLICY

The purpose of this policy is to improve the library's financial stability by protecting itself against delayed payment of tax appropriation or the annual donation from the Town of Esopus Library Foundation. The policy is designed to ensure the continuity of financial operations.

Policy

The library shall maintain a reserve fund, called the Operational Reserve Fund, of approximately three (3) months of operating expenses. In the event that the tax appropriation and/or the Town of Esopus Library Foundation donation are delayed and these moneys are used, the amount used shall be replaced when the tax appropriation or foundation donation is received.

The Operational Reserve Fund shall be kept in an account separate from the operating checking account. The Operational Reserve Fund balance is noted separately on the financial statements.

Use of the Operational Reserve Fund must be approved by the Town of Esopus Library Board of Trustees.

The adequacy of the reserve fund will be reviewed periodically by the Treasurer and Finance committee. The Finance Committee will recommend any changes to the Library Board of Trustees.

Adopted by the Board of Trustees:

Town of Esopus Library

FINANCIAL – FIXED ASSETS CAPITALIZATION POLICY

The Town of Esopus library will, in accordance with rules adopted by the State Board of Accounts, capitalize, or track, inventory worth over \$5,000.

Definitions and Provisions

Tangible Assets

Tangible assets are assets that can be observed by one or more of the physical senses.

Fixed Assets

Tangible assets of a durable nature employed in the operation of the library and are relatively permanent and are needed for the production of goods or services are termed property, plant, and equipment or fixed assets. These items are separated into classes according to the physical characteristics of the items (e.g. land; buildings; improvements other than buildings; machinery, equipment and furniture; and construction in progress).

Capital Outlay

Capital outlays are expenditures which benefit both the current and future fiscal periods. This includes the costs of acquiring land or structures; constructions or improvement of buildings, structures or other fixed assets; and equipment purchases having an appreciable and calculated period of usefulness. These expenditures result in the acquisition of or addition to the library's general fixed assets.

Land

The library will capitalize all land purchases, regardless of cost.

Original cost of land will include the full value given to the seller, including relocation, legal services incidental to the purchase (including title work and opinion), appraisal and negotiation fees, surveying and costs for preparing the land for its intended purpose (including contractors and/or library workers [salary and benefits]), such as demolishing buildings, excavating, clean up, and/or inspection.

Donated land will be recorded at fair market value on the date of transfer plus any associated costs.

Buildings

The library will capitalize buildings at full cost with no subcategories for tracking the cost of attachments. Examples of attachments are roofs, heating, cooling, plumbing, lighting, sprinkler systems, or any part of the basic building. The library will include the cost of items designed or purchased exclusively for the building.

The library will capitalize a new building only if it meets the following conditions:

- 1. total cost exceeds \$5,000, and
- 2. useful life is greater than two years.

The library will capitalize the cost of improving or renovating an existing building only if the result meets the following conditions:

- 1. total cost exceeds \$5,000,
- 2. useful life is extended two or more years, and
- 3. total cost will be greater than the current book value and less than the fair market value.

Capital building costs will include preparation of land for the building, architectural and engineering fees, bond insurance fees, interest cost (while under construction), accounting costs of material, and any costs directly attributable to the construction of a building.

The library will record donated buildings at fair market value on the date of transfer with any associated costs.

Purchases made using Federal or State funding will follow the source funding policies and above provisions.

Improvements Other Than Buildings

These are improvements to land for better enjoyment, attached or not easily removed, and having a life expectancy of greater than two years.

Examples are walks, parking areas and drives, fencing, retaining walls, pools, fountains, planters, underground sprinkler systems, and other similar items.

Improvements do not include roads, streets, or other assets that are part of the community infrastructure and are not for the support of the library facilities.

The library will capitalize new improvements other than buildings only if it meets the following conditions:

- 1. total cost exceeds \$5,000, and
- 2. useful life is greater than two years.

The library will capitalize the cost of improving or renovating improvements other than buildings only if the result meets the following conditions:

- 1. total cost exceeds \$5,000,
- 2. useful life is extended two or more years, and
- 3. total cost will be greater than the current book value and less than the fair market value.

The library will record donated improvements other than buildings at fair market value on the date of transfer with any associated costs.

Purchases made using Federal or State funding will follow the source funding policies and above provisions.

Town of Esopus Library

Machinery, Equipment and Furniture

The definition of machinery and equipment is an apparatus, tool, or conglomeration of pieces to form a tool. The tool will stand alone and not become a part of a basic structure or building.

Machinery and equipment includes computers, office machines, telephone systems, copiers, replicating equipment, postage machines, microfilm readers/printers, vacuum cleaners, mowers, power tools, and floor machines.

Furniture is also part of this category and includes tables, chairs, desks, shelving, and file cabinets.

The library will capitalize and tag items with an individual value equal to or greater than

\$1,000.00 Machinery, equipment and furniture combined with other machinery to form one unit with a total value greater than the above mentioned limit will be one unit.

A computer (CPU, monitor, keyboard, and printer) is considered one unit. A telephone system is considered one unit. A row or course of shelving is considered one unit.

The library will record donated machinery, equipment and furniture at fair market value on the date of transfer with any associated costs.

Purchases made using Federal or State funding will follow the source funding policies and above provisions.

Item Data Sheet

Item data sheets will be completed for all fixed asset items. Data sheets will record an item's location, date of purchase, cost or estimated cost, fund and account of purchase, estimated life, tag number, and serial number.

Item Tags

Machinery, equipment and furniture may be sequentially numbered and tagged with decal type property tags.

Adopted by the Board of Trustees:
