III. TREASURER'S REPORT/FINANCE – Reggie Heffernan

Written report was submitted. Reggie reviewed the Finance committee meeting minutes as well as the resolution for payment of claims. The Committee noted that it would be beneficial to have a future assistant director with an understanding and knowledge of Quick Books.

- **Resolution #10 of 2022 (Payment of February Claims):** The Board of Trustees of the Town of Esopus Library accepts and approves the payment of claims from February 1, 2022 to February 28, 2022 for items in the amount of \$8,427.45. A motion to accept the resolution was made by Susan Leiching and seconded by Don Carragher.

IV. DIRECTOR'S REPORT – Brooke Dittmar, Director

Written report submitted. Brooke announced that the library will start being open on Saturdays as of April 2nd (10am - 2pm). We received funds to provide exterior Wifi routers which will extend our Wifi signal outside. Mid-Hudson Library will install it and manage it. Brooke submitted the Annual Report to NYS. The library has received four new patron laptops. The process for patron use is still being defined. Don asked if there was insurance on these laptops in case they are damaged or stolen. Brooke will check on how other libraries handle this process. We also have new desktop computers. The new desktop computers have been installed in the staff work area as well as in the patron use area. Brooke will also investigate being able to turn off the patron borrowed laptops and hotspots remotely if these items are not returned on time. The signup for the community garden has begun. Brooke reminded the Trustees that they can make an appointment for a one-hour session offering assistance with devices and programs.

V. FRIENDS -- Susan Leiching

Susan reported that the Friends recently had a meeting. The Friends are providing coupons to the Town of Esopus/ Esopus Library Easter egg hunt. Susan also mentioned that Earth Day is April 23rd. There will be an event at the Town of Esopus Town Hall to celebrate Earth Day and the Friends and the Library will have a booth there. The book sale will take place on September 24th and 25th this year. This year is also the 100 year anniversary for the library.

VI. COMMITTEE REPORTS

- **Buildings and Grounds** – Don Carragher

Written report submitted. Don reviewed the committee meeting minutes. Don is asking that all the trustees review the Facility Plan. The Facility Plan is reviewed each year. The priorities of the facility plan must match the grant. Shannon took pictures of the generator at the Town of Esopus Town Hall. Don left a message with Arace Electric regarding a generator for the library. Mold in the ceiling of the server room continues. The cleaner agreed to remove and dispose of the moldy tiles and wash down the walls.

- **Governance and Personnel** – Nancy Beranek

Written report submitted. Nancy reviewed the committee meeting minutes. The committee recently reviewed the Pandemic Policy. The committee will review the Organizational Values Policy. This is also known as the Core Values Statement. (It was noted that this will go behind the Mission and Vision Statements). The committee also updated the Responsibility of the Library Director.

- **Resolution #11 of 2022 (Responsibilities of Director Update):** The Board of Trustees of the Town of Esopus Library accepts the changes to the Responsibilities of Library Director. A motion to accept the resolution after noted changes were done was made by Susan Leiching and seconded by Reggie Heffernan.

- **Sustainability, Research and Development** - Don Carragher
Don reviewed the meeting minutes. There were several emails recently regarding available grants, webinars and the grants process. Don shared a notice from NYSERDA (NY State Energy Research and Development Agency) about continuing efforts for led lights in the parking lot. With folks using our Wi-Fi in the parking lot, it would be good to have extra lights. Nancy noted that there is a webinar for March 24th with a topic of funding for resilience efforts. Shannon has been researching the generator at the Town of Esopus Town Hall as a basis for what will be needed for a generator for the library.

Susan had an email from MHLS regarding climate resilience hubs and mentioned that she plans to participate in this session.

President Jim Fitzmorris presented the following resolution:

- **Resolution #13 of 2022 (Annual Report to NYS):** The Board of Trustees of the Town of Esopus Library has reviewed and accepted the 2021 Annual Report to the State Library. A motion to accept the report was made by Don Carragher and seconded by Shannon Harris.

Buildings & Grounds
Committee Meeting
April 11, 2022

Attendees: Don Carragher, Brooke Dittmar, Jim Fitzmorris
Absent: Shannon Harris

The committee discussed assessing the health of the library's pond, i.e. clearing out mud and debris from the bottom as well as the filter.

Don will follow up with library's neighbor regarding a property survey recently done by the neighbor.

Other discussion topics:

- Replacing our present security system
- Does higher monetary value of digitized electronic library material increase security risk?
- Pro's/cons of using unappropriated funds to pay for library projects
- Erratic Central Hudson utility charges
- Jim will shore up deck beams and planks; Jim will contact Agape re: Bridge Construction quote
- Don will contact Arace re: Electrical matters
- Increased focus on August '22 construction grant deadline vis-a-vis B&G projects
- Clearing vines and branches before heavy leaf-out begins

Next meeting will be May 9 @ 4:00pm.

Respectfully submitted by
Jim Fitzmorris, Chairperson

**Town of Esopus Library
Finance Committee Minutes
April 22, 2022 on zoom)**

Attendance: Susan Leiching, Reggie Heffernan, Brooke Dittmar

A zoom meeting of the finance committee occurred on Friday 4/22 at 10:15 to review the proposed 2023 budget developed by the director. The original budget included a 2.7% tax appropriation increase over the 2022 budget and a 2.7% raise for the director. After discussion it was agreed that given the current economic times the tax appropriation increase and director's salary increase should be limited to 2%. This would necessitate an increase in our use of our large fund balance from \$20,000 to \$22,226. The director will make the changes and provide copies to the entire board.

Respectfully submitted,

Reggie Heffernan, Acting co-treasurer

**Town of Esopus Library
Finance Committee Minutes
April 14, 2022**

Attendance: Susan Leiching, Reggie Heffernan, Brooke Dittmar

The committee began the meeting at 4 pm.

The committee reviewed the current position titles and entry level wages and proposed entry level wages for the next fiscal year assuming a 5.6% rate of increase (with the exception of a new director at 3.5%). We also added notation to allow for an additional \$0.25/hour/year of applicable experience up to a maximum of \$2.50/hour at the discretion of the director. Some time was spent discussing the differences between the job titles and the need for civil service tests. It was also noted that the title of story teller should probably be removed from the position title list.

The payment of claims for \$ 6246.22 was reviewed by the Finance committee and a resolution for approval by the Board of Trustees will be presented to the Board at the April 26th meeting.

Brooke is going to forward a copy of the proposed budget for the upcoming year so we can review it before it is presented to the entire board at the April 26 meeting

The committee adjourned at 5:45.

Respectfully submitted,

Reggie Heffernan, Acting co-treasurer

**Next Meeting
Thursday, May 12, 2022

**April 12, 2022
(2nd Tuesday, @ 4pm)**

Attendance: Susan Leiching, Brooke Dittmar, Nancy Beranek
Excused: Jim Fitzmorris

The meeting was called to order at 4:05 PM

1. Reviewed the organizational policy. After discussion will rename the Core Values and move to the section of the manual that contains the mission and vision statements. The Core Values will follow the vision statement.
2. Reviewed the wireless policy and the collection and weeding policy. Susan will send the changes to the committee members for review prior to the board meeting.

Meeting adjourned at 5:15 pm

Respectfully submitted,
Susan Leiching, Chairperson

**Next meeting is May 9, 2022

Town of Esopus Library

Sustainability, Research and Development

April 13, 2022 4pm Zoom

Attending: Reggie Heffernan, Nancy Beranek, Brooke Dittmar and Donald Carragher.

Excused: Laura Lauria.

Nancy began with describing the requests for paving bids. All companies have not responded yet.

Reggie and Brooke met with Solar Alchemy (Evan) at the library and he did a brief examination our equipment. He will return with additional staff to examine the solar panels on the roof. He will then prepare a report and make a proposal, if updating the solar array is needed, after we have efficiency data. Brooke provided the Central Hudson account info and written permission for his company to inquire on our behalf about historical and current readings on what we are getting credits for. Central Hudson was unable to provide this information. Brooke will follow up with Central Hudson, to further attempt to get the information we want. Central Hudson was able to tell us that our system is connected to the power grid. Evan was able to access information on our inverter about our total output since the panels were put in. He will look further into the information provided on the inverter.

There is an Emergency Connectivity Fund that reimburses for items we have purchased in order to help community members connect to the internet. We are exploring its application. There is also Ulster County Resilience funding for helping the community to stay resilient, or sustainable. We are looking into this. There is a webinar on the 19th for funding training. The link has been shared.

Trustee training for all board members, including funding, is being scheduled in the coming weeks. We are encouraged to complete this. Brooke said that Casey from MHLS can help us decide what projects can be included together for a construction grant proposal.

Lime Energy is a contractor doing lighting work at Riverside and they may be helpful for our effort to add/replace LED pole lighting outdoors. This is the same company that put in our LED light fixtures and bulbs last year. They were partnered with Central Hudson for reduced rates.

Brooke specifically asked the members to list all the new and old work we have discussed and get it to her so as to frame our ideas when she speaks to Casey about the construction grant proposal.

Meeting closed @5pm.

Director's Report to the Board
April 26, 2022
Brooke Dittmar

We have been creating a list of the projects that we might want to use to apply for grants. It has become rather long! I will be speaking with MHLS about which we should actually put together for a cohesive request. It's great that between us we have come up with so many great ideas, and that there is a lot of energy behind working on them. We are continuing to make progress toward getting information on the costs of some of our desired projects. We met with Solar Alchemy, and are waiting for a second date for an evaluation of our system. Nancy and I also met with a paving and sealing company (Smith's?) for the driveway and parking lot project. We are still waiting for a quote. I have found, in the past, that whether we apply for a construction grant hinges on whether the quotes come in in time. It often takes a long time, and repeated requests.

We added some open hours to our schedule this month. We are now open on Saturdays, 10:00 AM to 2:00 PM. This has made some people very happy!

We collaborated with the Town of Esopus Recreation Department in planning an Easter Egg hunt in Freer park. Our eggs had gift certificates for books from the book cellar (thank you, Friends!), as well as candy. A local BBQ place called to see if they could donate some eggs, also (plastic, with coupons inside). It was very well attended (as in over 100 people).

We got a dividend from the Utica National Insurance Group, for \$1,321. This is related to our safety record.

I've spent a lot of time on the budget this month, and it is now ready for your review.

We had a community conversation, which was the focus of the Grant with which we purchased laptops and digital hotspots. It took place over Zoom, and was an effort to understand participants' experience with the lack of connectivity during the pandemic.

The community garden has been open for use since the beginning of April. We had a lottery this year, as there were more people that wanted plots than there were plots available. We had a meeting with the community gardeners, and I was glad to have Barbara Taylor lead the meeting, with help from Pat Frank. They are the Community Garden Managers, and they have done a great job of taking a lot of the responsibility for keeping everything going out of my hands. The Bruderhof has delivered compost to help in their growing endeavors. It makes a lot of difference, as the soil in that area was originally all clay.

The children's gardens have reverted back to the Children's program, and Shannon has started to prepare them for planting. Last year the gardener that gardened in those plots reinforced the cages that protect the plants from deer, as they were starting to come apart. I'd really like to put a fence around those plots, so that access to the plants would be easier, and more kid-friendly. That was the plan, in the beginning.

You may have noticed that the vote packets have been prepared, PR about the open board positions has gone up and out, and a legal notice has gone into the newspaper. As soon as the board approves the 2023 budget, and all prospective candidate petitions are handed in and signatures compared to voter rolls, another legal notice will be put into the paper, containing this information.

The new bank account has been established. As you may recall, this account is called the Operational Reserve Fund, which has the purpose of covering our operating expenses if, for some reason, receipt of the tax appropriation were to be delayed. Designating these funds are considered “best practices” for financial sustainability of the library, and is part of the financial recommendations on the NYLA Sustainability Certification task list. This is not, however, required by New York State Education law.

It looks to me like Don’s work on the large and copious vines, which had also been pulling down trees, as well as the actions of the ice storm, have really opened up our little forest. I’m really excited about continuing to clean it out further, to make a pleasant strolling and sitting area.

This month I attended:

MHLS Director’s Association meeting

Ulster County Library Association meeting

Southeastern New York Library Resource Council Conference

Library 2.022 Conference, Virtual Reality

Town of Esopus Library Foundation meeting
